FLASH | BACK

Wat gebeurt er als nieuwe meesters verder gaan waar oude meesters waren gebleven? In FLASH | BACK laten zestien fotografen zich inspireren door de 17e-eeuwse schilderijen uit het Mauritshuis.

Het resultaat: zestien nieuwe kunstwerken. Je vindt ze tussen hun 17e-eeuwse inspiratiebronnen, in alle zalen van het museum.

Audiotour

Bij ieder nieuw kunstwerk vind je op het tekstbordje een QR-code. Scan deze code om van de fotografen zelf te horen waarom juist dit schilderij hen zo inspireert.

FLASH | BACK

What happens when new masters pick up where old masters left off? In FLASH | BACK, sixteen photographers were inspired by 17th-century paintings from the Mauritshuis.

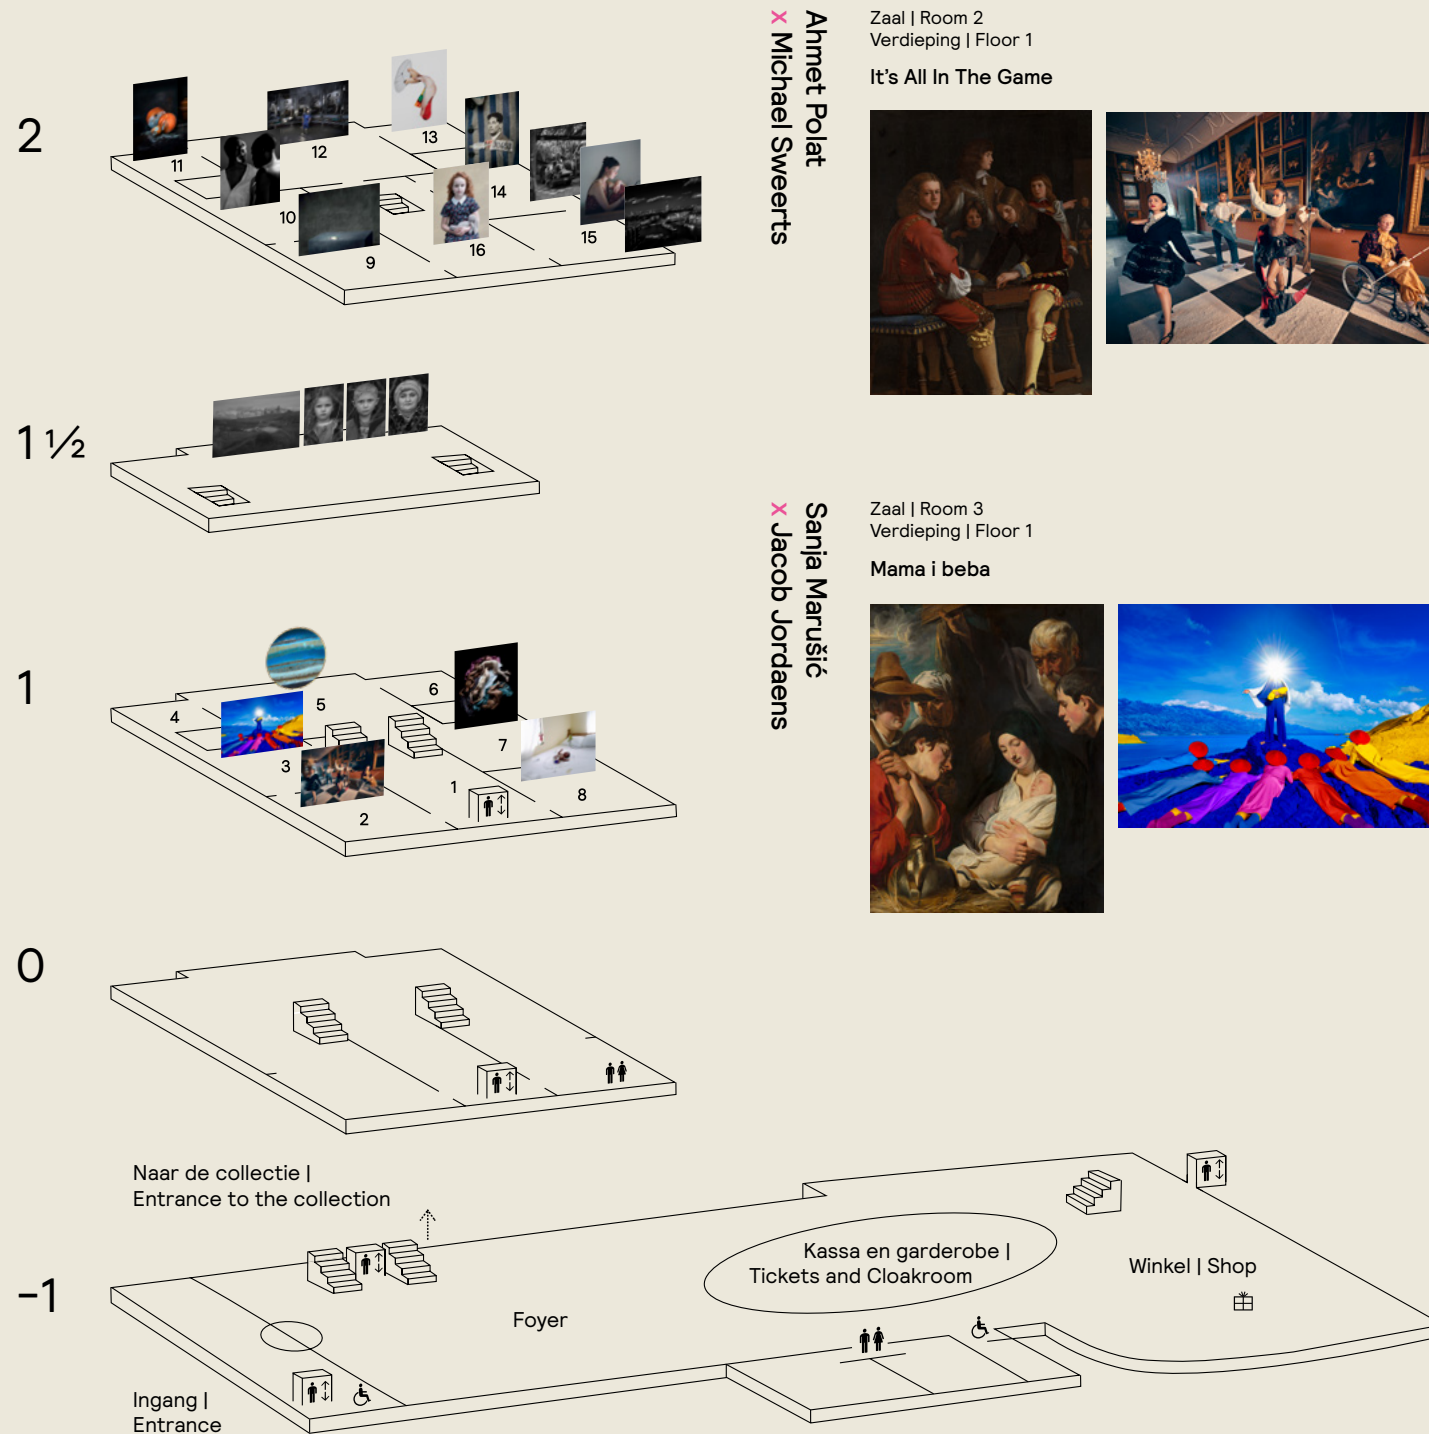

The result: sixteen new works of art. You will find them among their 17th-century sources of inspiration in all the rooms of the museum.

Audio tour

At every new work of art you will find a QR code on the text label. Scan this code to hear from the photographers themselves why this particular painting inspired them.
